Dear Parents/Carers,

We are excited to inform you that your child has started their phonics sessions this week. This is where they will learn how to read and write. Here at Newton Leys Primary School, we teach phonics through the scheme Read, Write, Inc. As your already child knows most single letters sounds, we will now be teaching your child to 'blend' or read simple words in school. We are fortunate enough to have use of the Read, Write, Inc Virtual Portal which allows us access to teaching videos amongst some other amazing resources! Each video below is a different session which will allow your child to practise their reading skills.

All you need to do is hover your camera or a QR Code app over each QR Code and it will provide you with a link for each video. These videos are just under 10 minutes long and your child will be able to participate in them independently.

Session 1 	Session 2 	Session 3 
Session 4 	Session 5 	Session 6 

I hope you find these videos beneficial. If you have any questions, please do not hesitate to contact me.

Kind Regards,

Mrs Moore  
Phonics Lead
