

Key Instant Recall Facts At Newton Leys Primary School

To help develop children's fluency in mathematics, we ask them to learn Key Instant Recall Facts each half term.

The following sheets give a progression of skills in maths Key Instant Recall Facts to help parents support their child at home.

We expect children to practise their KIRFs at least 3 times a week.

Children will be assessed half termly on their KIRFs and supported in school to learn these facts.

Key Instant Recall Facts

Reception Autumn 2

I know how to say the number names in order to 5

I know how to count back in order from 5 to 0

I can recognise the days of the week

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

- Keep repeating the names in order lots of times.
- Pause and let your child finish the sequence.
- Find lots of opportunities to count forwards to 5 and back to zero.

What day is it today?

Days of the Week

Lots of repetition of the days of the week in order. Use it when speaking. Today is Monday and we have swimming lessons. Yesterday was Sunday, we visited Auntie.

Saturday

Top Tips for Parents.

- Practise a little bit every day
- You don't need to do it all at once, have 'Fact of the Day'!
- Do it when you are on the move, walking or in the car.
- Make it real by using objects.
